Re: KD Radio, Inc. (KRI)
KDSK(AM), Los Ranchos De Albuquerque, NM
Facility Identification Number: 59687
Special Temporary Authority (STA)
BESTA-20200511AAC

Dear Mr. Underhill:

This is in reference to the request filed on May 11, 2020. KRI requests a further extension of the STA granted on March 25, 2019, to continue operating from an alternate site to allow time to file the required FCC Form 301 application (due to loss of the licensed site).¹ In support of the request, KRI states that it has secured a new transmitter site and started preparation on the minor change application for a new permanent facility.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA is hereby GRANTED, and KRI may continue to operate with the following facilities:

¹ KDSK(AM) is licensed for ND operation on 1240 kHz with 1 kW, day and night.

Geographic coordinates	35° 10' 09" N, 106° 29' 59" W (NAD 1927)
Frequency	1240 kHz
Hours of operation	Unlimited
Operating power	1 kW
Antenna type	37 meter long wire antenna

KRI must reduce power or cease operations if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. KRI must submit an e-mail to my attention to note the date the application was filed.

This authority expires on **November 28, 2020**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.

Joseph Szczesny, Engineer
